Good morning:

My name is Vickie Houser and I am an Accommodations Coordinator in Student Disability Services. I just met with Jack Gordy for his intake with our office – he is in one of your classes this semester.

He will be bringing you his Letters of Accommodation this week but I wanted to reach out and let you know that he has been in the hospital and has been struggling with his disability, which has made it difficult to attend classes regularly yet this semester.

One of his accommodations is Attendance and he will need to speak with you more about that and about what he can do about the classes he has missed.

Let me know if you have any questions.

Thank you for your support of our students with disabilities.

Vickie
